SKINCARE ROUTINE

FOR OILY SKIN

PURE NIACELLA (CLEANSER)

Begin by wetting your face with lukewarm water. Dispense a small amount of cleanser onto your fingertips, then gently massage it onto your face in circular motions, taking care to avoid the eye area.

NANO CLARITY MIST (TONER)

After cleansing, close your eyes and spritz Nano Clarity Mist evenly across your face, or dispense a small amount onto a cotton pad and gently swipe over your skin.

GALACTO-C (SERUM)

After cleansing and toning, apply a few drops of GALACTO-C Purifying Brightening Serum to your face and neck. Gently massage in circular motions until fully absorbed.

ADVANCED MUCIN (MOISTURIZER)

After cleansing and toning, apply a small amount of Advanced Mucin Barrier Repair Moisturizer to your face and neck, gently massaging in upward and outward motions until fully absorbed.

SOLAR SHIELD PA+++ (SUNSCREEN)

Apply Solar Shield PA+++ Sunscreen liberally to your face, neck, and any other exposed areas of skin 15-20 minutes before sun exposure.

FOR DRY SKIN

SUPER HYALON (FACEWASH)

Wet your face with lukewarm water. Apply a small amount of Super Hyalon 7-in-1 Facewash to your hands and gently massage onto your face using circular motions, avoiding the eye area.

NANO CLARITY MIST (TONER)

After cleansing, close your eyes and spritz Nano Clarity Mist evenly across your face, or dispense a small amount onto a cotton pad and gently swipe over your skin.

SNAIL ELIXIR (SERUM)

Apply a few drops of Snail Elixir Ultra Moist Serum to clean, dry skin. Gently massage the serum into your face and neck using upward, circular motions until fully absorbed.

ADVANCED MUCIN (MOISTURIZER)

After cleansing and toning, apply a small amount of Advanced Mucin Barrier Repair Moisturizer to your face and neck, gently massaging in upward and outward motions until fully absorbed.

SOLAR SHIELD PA+++ (SUNSCREEN)

Apply Solar Shield PA+++ Sunscreen liberally to your face, neck, and any other exposed areas of skin 15-20 minutes before sun exposure.
